Chapter 1

Hi, my name is Brian. I'm currently in Bay City and I am currently very late.

Brian quickly dashes around every corner in order to get to the beach. Brian was supposed to meet his friends at the beach thirty minutes, but he slept in.

Brian suddenly hears a sound in the alley right as he runs by. He quickly stops in his tracks and turn to look in the alley.

Right as he looks, he saw three figures slowly turning to look at him. Before Brian has any chance to react, the four figures jump out at him.

Brian trips backwards from shock on one of his flip flops. Just as he begins to fall, one of the three figures catches him by the collar of his shirt.

"Thank you!", Brian said as he regained his balance. The figure then quickly returns to the side of his comrade. Then out of nowhere, the figure took his Golduck.
The figures quickly run away as they yell, "You can't catch us!" Brian quickly runs forward and grabs one of their cloaks.

Just as he grabs the cloak they begin to run off, causing him to pull off the cloak revealing the mysterious figures. Brian let's out a gasp and shout, "Team Rocket!"

Brian is furious and shocked. He lets a fit of rage before deciding what to do next. A lightbulb goes off in his head and he quickly sprints to the Team Searchers.

Brian is unable to stop himself as he collides with Gerald. "Woo there youngster. Where are heading in such a hurry?" Gerald states. Gerald notices Brian's shocked and furious look, so he decides to tell him a joke.
"Why do seagulls fly over the sea? Because if they fly over the bay then they will be called baygulls. In fact I have a baygull right here." Gerald bellows as he pulls out a bagel looking Pokémon.
"It's not the time, Gerald!!" I yell. "Wow there kid, I was just trying to boost the mood." Gerald states, "What has you so worked up anyways?"
Just then Brian notices the meowth ballon. "They have my golduck!" Brian yells as he points at the balloon. "Please help get my golduck back, team rocket stole it!"

"Oh so that's what's bugging you, baygull use wing dance!!" Gerald yells. Baygull suddenly quadruples in size and spreads its wings. Gerald pulls Brian towards Baygull and pulls him up onto its back.
Brian and Gerald begin chasing the meowth balloon on baygull. They slowly begin to catch up. Gerald suddenly shouts, "Baygull use bagel enlarge hole!" Baygull's hole suddenly doubles in size.

The Baygull swoops towards the meowth ballon and catches it in its massive hole. The Baygull then pulls the balloon down to the ground.
