

THE CRAZY MUGGET

Once upon a time there
was a dog named Nugget.
She had a bad problem

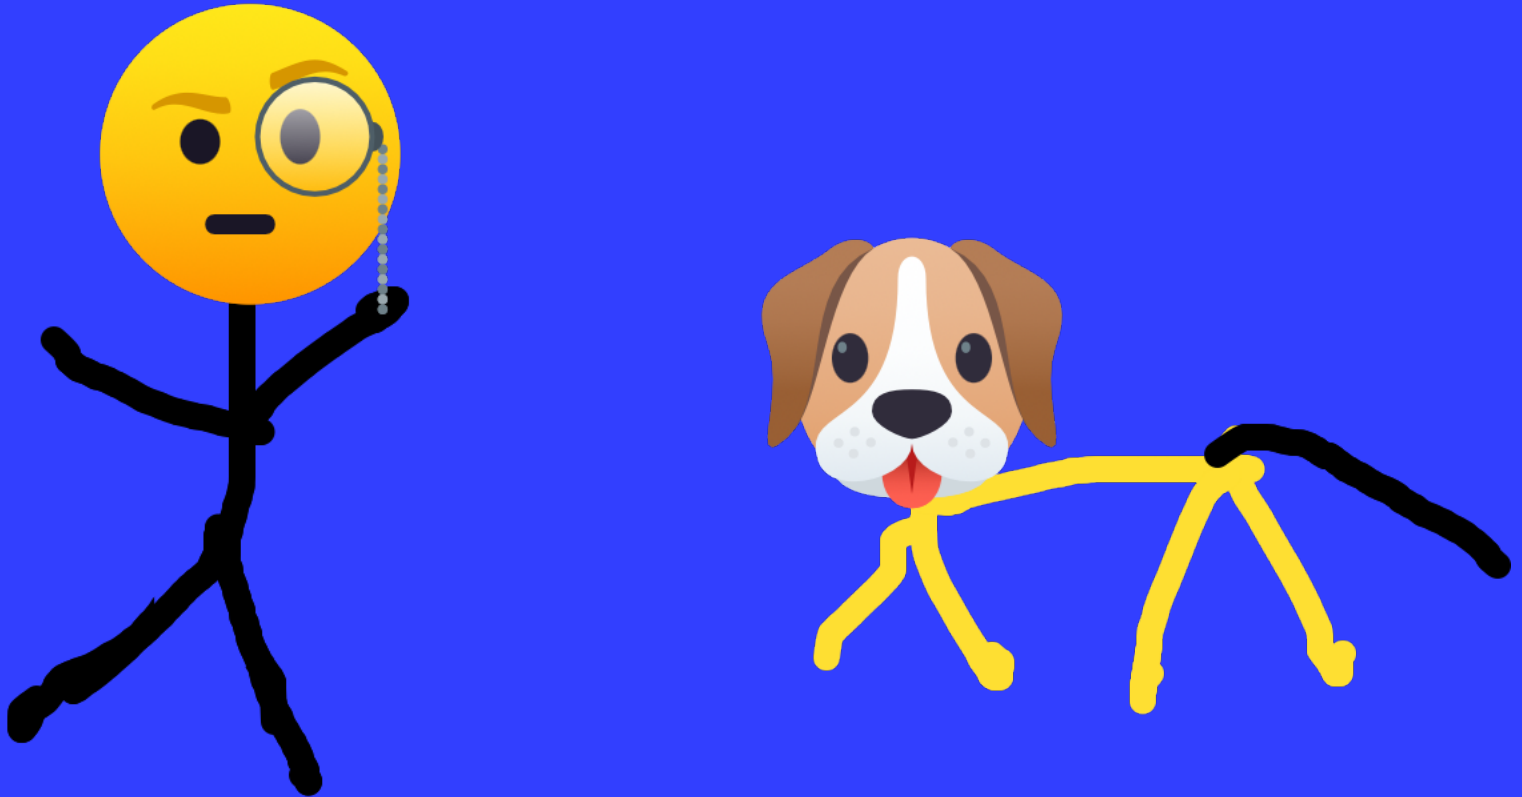

Nugget barks at everything. She barks at big dogs she sees outside the window and things that aren't even there.

Bark

But Nugget is very nice to humans. She gets very excited and runs over to jump on them.

Nugget loves to take naps.
Instead of playing with her toys
she spends most of her day
laying down.

Nugget loves getting her hair cut. When she gets there she runs up to the person and gets very excited. Once she's done she sniffs under the door waiting to leave.
