

# Fluff Fluff and the Butterfly

By: Cora and Macy

Hi, my name is Fluff  
Fluff! I want a butterfly  
as a friend. But I can  
not find one. Can you  
help me find one?

Yes, okay. Where should we look for the butterfly? Maybe we could look by the pool. I don't see any.

How about we now go look by the castle. I feel like there is a table with a butterfly cage on it.

The is a bee not a  
butterfly. Now  
where should we  
look?

HEY,  
WHER  
E IS A  
NET  
FOR A  
BLUTTE  
RFLY  
BECAU  
SE I  
SEE  
ONE. I  
FEEL  
LIKE  
THERE  
WAS  
ONE  
AT MY  
HOUSE  
. I  
WILL  
GO  
GET IT.

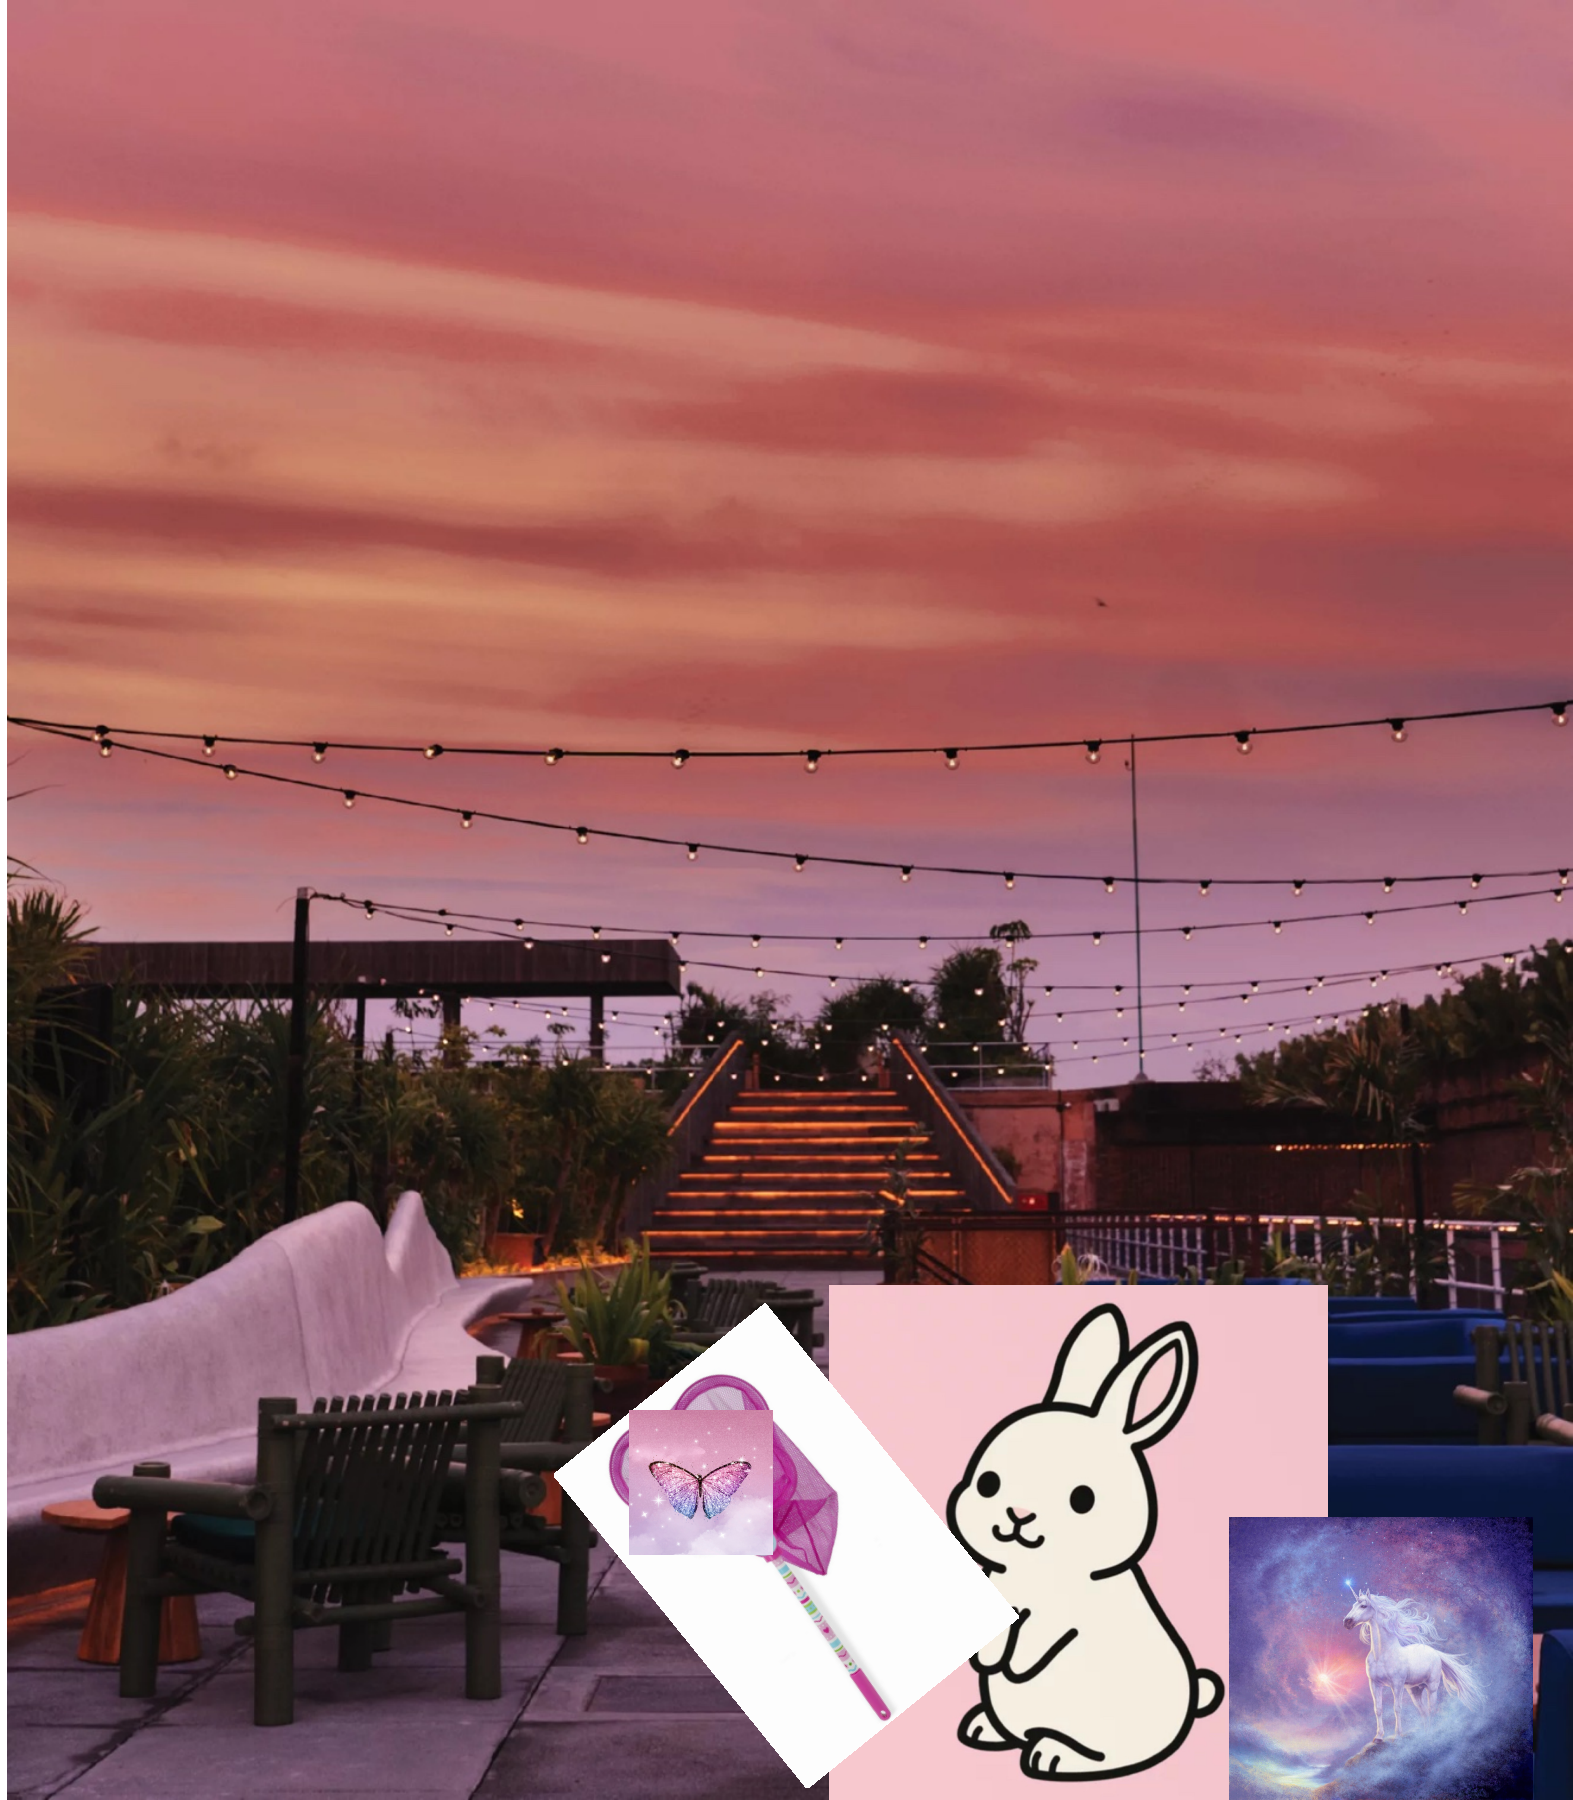

I almost got it.

I got the butterfly. Now I will take it home and play with it. But Fluff Fluff, butterfly's don't play they only fly around. But I wanted one so I can play with it that is why.

I will go  
home  
and  
give it  
a little  
drink!

How about  
some orange  
juice?
