

Orange and Spirit go to the Library

*Spirit was playing
on his iPad,*

*Orange was also
playing on his iPad.*

*Then they started to
read a book.*

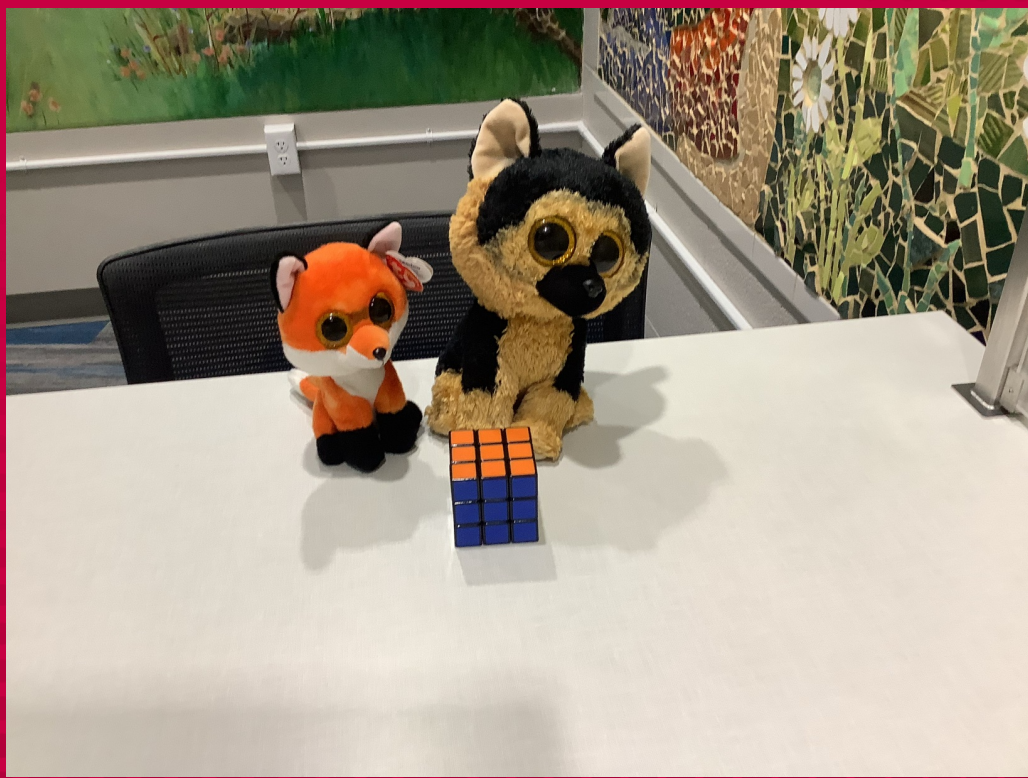

Oh, what is this?

*Why is there a
parrot here?*

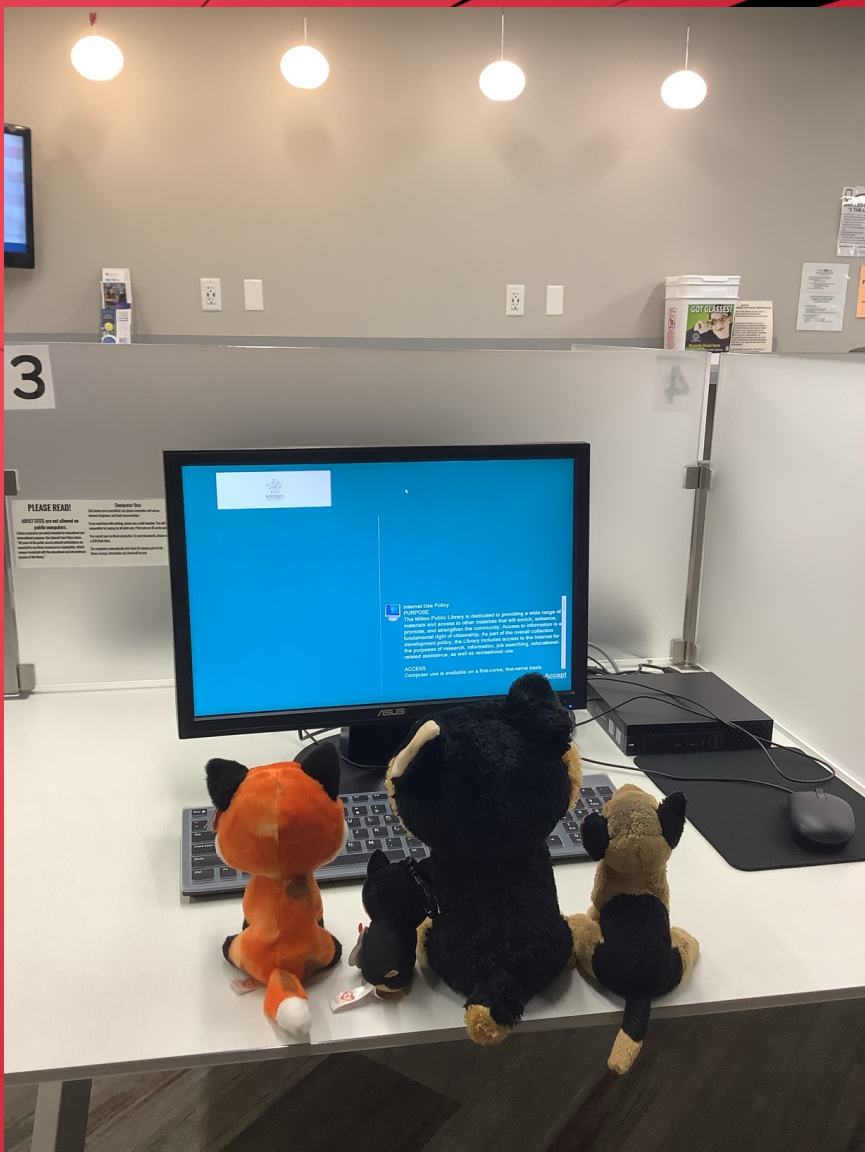

*They even solved a
rubix cube!*

*Then they looked at
paintings!*

*After that, they decide to
write a book!*

*Then they found a puzzle
and decided to solve it.*

*They also found
someone's lost bag!*

*Learning how to code was
always their dream, so they
learned how to code in the
Spark!*

*After a long day, they decided
to head home.*

*The
End*
