### Lola and Lucy

### Sometimes I go to my nana's house to walk them.

### This is Lola and Lucy's bed.

#### These are Lola's toys.

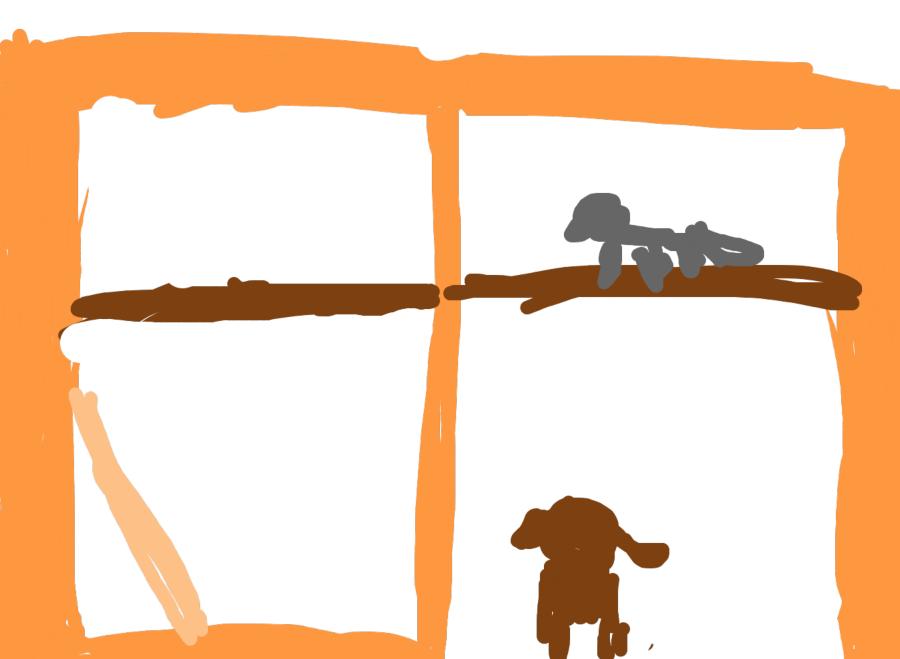

#### Lucy poops in the house a lot.

#### Lola is 3 and Lucy is 17. She is about to turn 18 this month. Next month is Lola's birthday month.

### Lola barks loudly. Lucy can hear Lola bark.

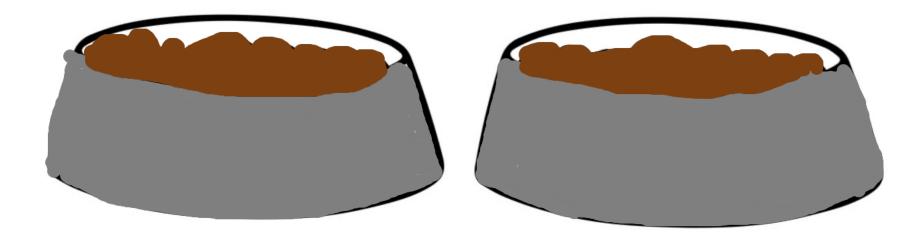

## When we take them to the dog hotel they always mix up their collars.

### This is what Lola and Lucy's food and water bowls look like.

# Lola has a black leash and Lucy has a pink one.

Sometimes Lola sleeps with my brother but sometimes she sleeps with my mom. Most of the time Lucy sleeps with my mom.
