

The Battle Over the Pickaxe

Once upon a time,
there was this cool
player named Steve.

And there was this other cool player. He was so cool that all the other players called him Cool Boy.

And then they both
met.

And then what they
saw was a floating
diamond pickaxe.

They were determined to get the diamond pickaxe.

But then Cool Boy slipped and caught the pickaxe!

And then the pickaxe cut his arm off and he disappeared, leaving the pickaxe floating on the ground.

So then Steve picked up
the pickaxe and went
off on a new journey.
