

Friends With Cheetahs

By: Joey and Quinn

This is Cheetah. Cheetah loves to run around. Cheetah also loves to make friends.

One of Cheetah's friends is Lion. Lion has a big mane.

Cheetah stays up late to see his friend Owl. Owl is nocturnal, which means she sleeps during the day and is awake at night.

Cheetah meets his friend Bat at the fireworks show.

The next day Cheetah is fast asleep.
He is so tired from staying up so late.

Cheetah is woken up by Giraffe! Cheetah asks to play with Giraffe but Giraffe is a little bit afraid of Cheetah.

"Wait!" says Cheetah. "I'm not going to eat you!"
Giraffe looks confused. "I thought all cheetahs
would eat me."
"I'm not like all cheetahs," says Cheetah.

"I won't eat you, I promise!" says Cheetah. "We can be friends then!" says Giraffe. "As long as you keep your promise."
"I will," says Cheetah.

Cheetah was so excited to have a new friend that he invited all his friends to a big party. He covered himself in glitter to celebrate his friendships.
