Puppy sees a  
treat on top of  
the playground,  
but he can't  
reach it!

"I need to  
build a  
mountain to  
get to my  
treat!"

The puppy needs to go to the toy store to build a mountain to get the treat.

The puppy put the truck and ball in his cart.

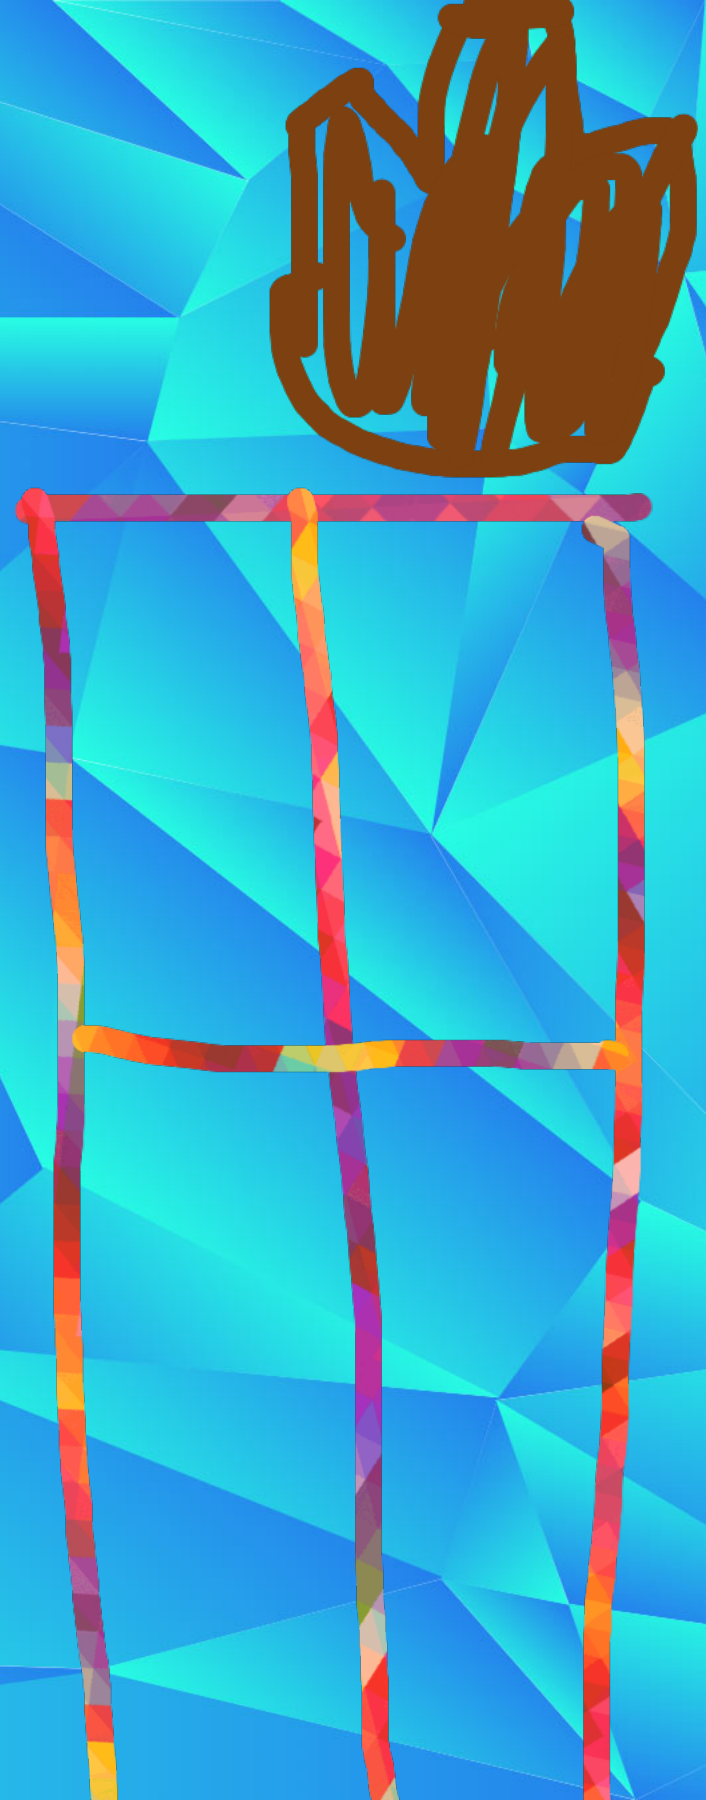

Puppy checked out his toys so  
now he can make the  
mountain.

Time to make  
the mountain!

All done  
with the  
mountain.

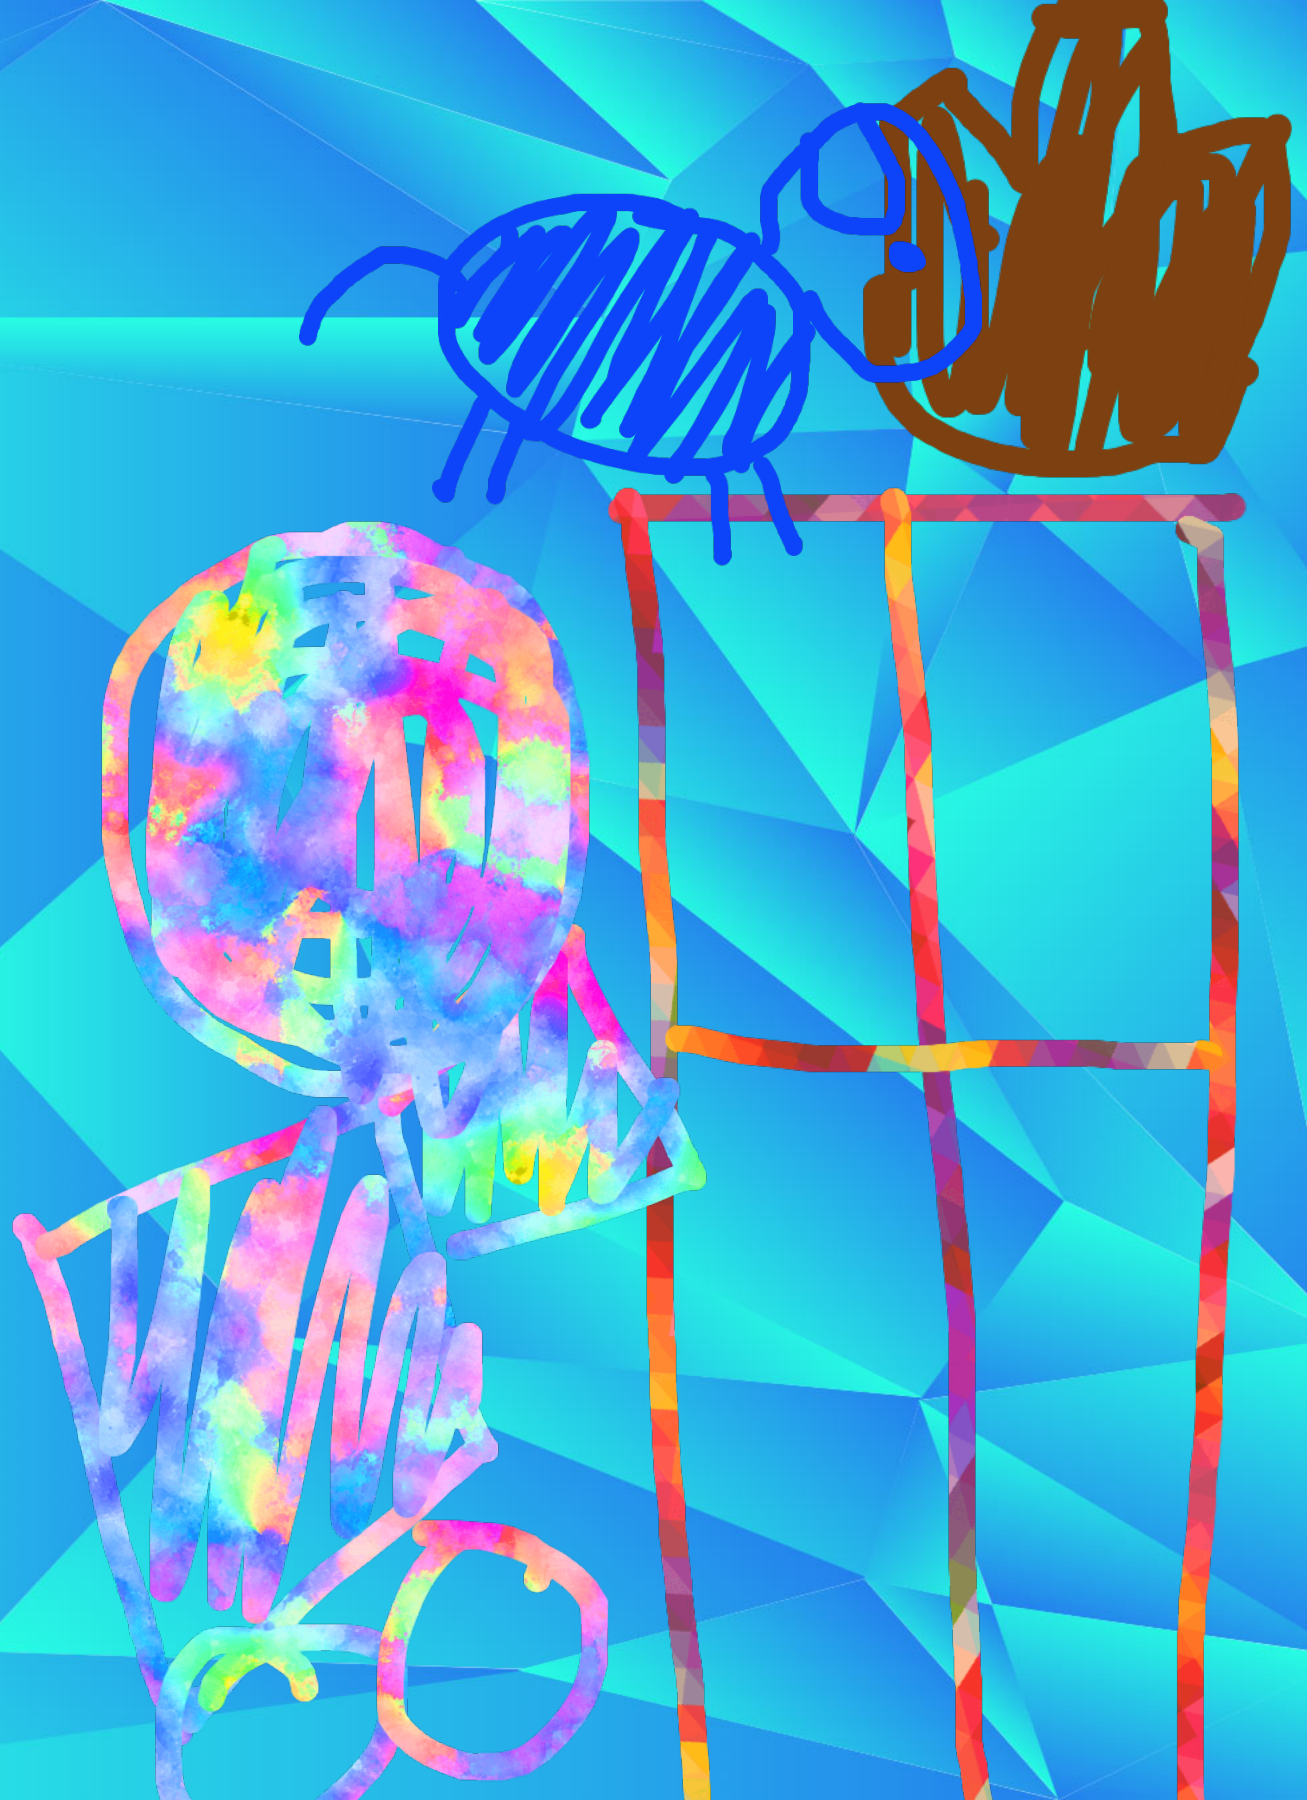

Time  
to  
climb.

Pupp  
y got  
the  
treat!

Puppy is happy he got the  
treat! The end.
