

BEAR IS TRYING TO GET HONEY

By Cameron And Natalie

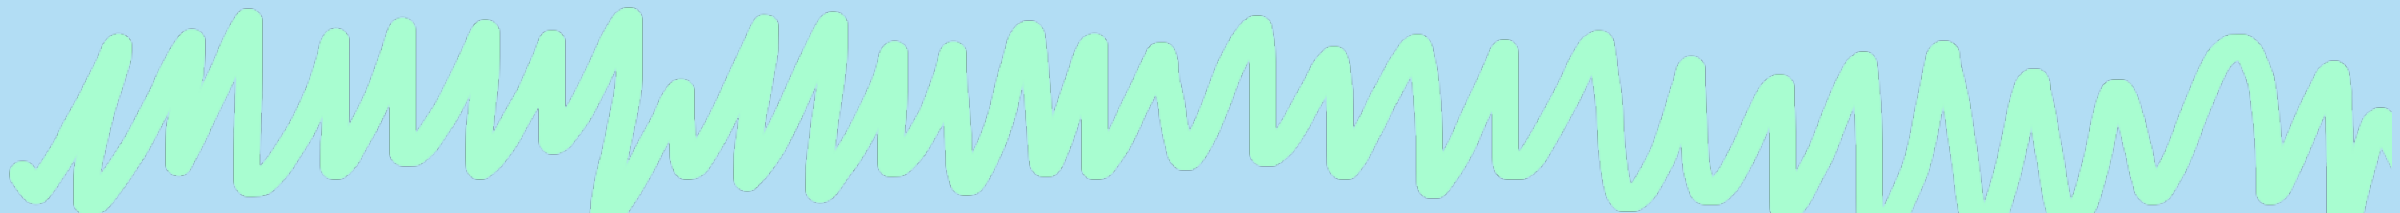

Hello! My name
Cuddly the Bear.

I
LOVVVEE
E HONEY

I need more honey. I will
try to find some.

I will go into the forest to find honey.

I found a tree
with a beehive
for honey.

Time to climb the tree.

Uh oh. A bee.
Ouch! Ouch!
Ouch! Ouch!
Ouch!

Let's just go to the store instead.

I found the last honey in the
store!

The monkey gives the
money to the bear for
honey.

The bear is going back home with the honey.

The bear is super happy with all the honey!

The end!
