Libraries Across the USA Join the World's First Global Film Festival MANHATTAN SHORT 2018

One World - One Week - One Festival

During September 27–October 7, 2018, more than 100,000 film lovers will gather in over 300 screening venues across six continents for just one reason—to view 10 outstanding short films chosen as finalists in the 21st annual MANHATTAN SHORT Film Festival.

Last year—for the first time in MANHATTAN SHORT's history—more than 20 libraries from across the USA joined the event with great success, producing an enthusiastic response from the participating libraries and their filmgoers.

This success showed us that libraries are not just about books, they're about community and building community. And that's exactly what The Manhattan Short Film Festival is all about too—bringing communities together across the globe to enjoy a handpicked selection of the world's best short films.

Now, in 2018, MANHATTAN SHORT—one of the world's largest short film festivals and the first-ever global film festival—is expanding its reach to include a further 100 US libraries, and we hope your library and your community would like to join us in our international celebration.

After last year's show, the feedback we received from the 2017 participating US libraries was wonderful and inspiring:

"The 2017 Manhattan Short Film Festival was our institution's first year as a participant. It will NOT be our last. We do a great many programs throughout the year and this was, by far and away, the most well received of anything we have done to date. We did one daytime and one evening showing, and both showings were filled to capacity. People from all over the area attended and it was the talk of the local 'cocktail circuit' for days afterward. In 2018, we intend to do at least 4 showings. The films were remarkable, poignant, shocking, funny and some of the finest filmmaking I have ever seen. Thank you Nick Mason and everyone at Manhattan Short for this incredible festival, and thank you for the opportunity to be part of it. See you next year!" – Joseph Galbraith, Library Director of the Moorestown Library, NJ

ONE WORLD · ONE WEEK · ONE FESTIVAL

"The MANHATTAN Short film festival is one of our most anticipated events of the year. While the art, process, and creation of a short film are laudable, it's the stories that make us come back each year. Each year brings a new batch of films and each film opens a window to a different time, a different corner of the globe and a different way of viewing the world; resulting in a better understanding to our world and the ideas that drive us. The Library is proud to host such an event that not only entertains, but inspires, teaches, and opens our eyes. We can't wait to see what Nick Mason and the MANHATTAN SHORT put together for next year." - Elisha Davies, Archivist, Cazenova Public Library, NY

You Be the Judge! Not only do MANHATTAN SHORT filmgoers get the chance to watch the cream of the year's international short films, every audience member also plays an integral part in deciding the winner. By casting their vote for their favorite film and actor, it is our worldwide audience that determines the ultimate victor.

Votes are tallied by you (the cinema) and e-mailed through to us at MANHATTAN SHORT HQ with the winner announced in New York City on Monday, October 8th, at 10am (EST).

SH®RT

Note: In 2011, MANHATTAN SHORT received over 74,000 votes worldwide, with only 117 votes separating first and second place. So, cinemas, please take note that every vote really does count.

Oscar Buzz! With past finalists from the Festival going on to be nominated and to win (1999, 2007 & 2015) Academy Awards in the Short Film category, MANHATTAN SHORT is, quite simply, a collection of some of the best short films currently screening in the world today.

Making the cut. Each year, The Manhattan Short Film Festival receives in excess of 1800 film entries from all over the world. Only 10 of these films—of 18 minutes duration or less are selected as finalists and packaged and distributed on Blu-Ray or DVD to all participating libraries, cinemas, cultural centers, and other venues.

How long does the show run? Collectively, the ten short films run for approximately 120 minutes—about the same run-time as a feature film. The directors of each film have a 10-15 second spot on screen introducing their films to your audience, and there is a 10-minute intermission.

What are the screening dates for the show? You can screen the show at any time from Thursday, September 27, to Sunday, October 7, 2018.

More glowing testimonials from participating libraries:

"Rowan Public Library participated for the first time in the 2017 MANHATTAN SHORT film festival and plan to make it an annual event. We had a terrific response from the community and hope to reach more folks in the future. Our staff enjoyed the films and shared their enthusiasm with our patrons. The films were startling, exciting, inspiring and enlightening. The collection was amazing and the filmmaking extraordinary. Thanks to Nick Mason and all the filmmakers for producing this fantastic film festival. Rowan Public Library is excited to be a part of it in the coming years." – Gretchen Beilfuss Witt, Supervisor, Rowan Public Library, Salisbury, NC

"When Nick Mason approached our library to ask if we would be interested in screening MANHATTAN SHORT, we quickly became enthused and agreed to it. We regularly show movies at our libraries, so we already had a ready-made audience of cinephiles. We planned four showings during the week of the festival, and ended up having to add a fifth due to demand. We had well over 200 library patrons come to view the short films. Due to the high-quality posters and flyers provided by MANHATTAN SHORT, along with our usual PR channels, quite a bit of excitement had built up prior to the festival. The films turned out to be everything we had anticipated and more! After each screening, people came up to me and thanked me profusely for having the library provide them the opportunity to be a part of this event. Everyone was excited about voting, and many wanted to talk about the films. I cannot stress enough how exciting it was to be a part of MANHATTAN SHORT, and we look forward to offering it again in years to come." – Terry Edwards, Branch Manager, Hunterdon County Library, Flemington, NJ

"The Cape May County Library system was so honored to be a part of the 2017 Manhattan Short Film Festival for the first time. Many of our patrons remarked they were familiar with the film festival, and were so pleased it was offered in Cape May County. We did seven showings at different Cape May County Branches to large crowds. The feedback from the audiences was overwhelmingly positive, and many participants asked for the Manhattan Short Film Festival to be offered again in 2018. We will happily comply to those requests! Many thanks to Nick Mason and the Manhattan Short Film Festival for the invitation to join in the world's first global film festival." – Karen Johnson, Adult Program Coordinator, Cape May County Library, NJ

IX. COLLABORATIVE ACTIVITIES

Summary of Activities Briefly describe collaborative activities with other libraries, public library systems, and other organizations. Exclude services and activities listed in the system's 2017 resource library contract.

With a go-live date of January 2018, 2017 marked the beginning of the Arrowhead Library System's largest collaboration to date by partnering with the Lakeshores and Kenosha County Library Systems in joining the SHARE Consortium. The new combined SHARE catalog will feature approximately 2,150,000 items and will offer improved functionality for both patrons and library staff. The migration work for moving the RockCat catalog into SHARE took place during the second half of 2017. Joining SHARÉ also opens up ILS support and delivery collaboration possibilities for ALS. The Arrowhead Library System is part of the WPLC buying pool collaboration. The amount each system funds as part of the WPLC buying pool collaboration shares the cost of a digital library platform, provides access to the entire multi-million dollar collection already in the digital library and purchased more than \$1,150,000 worth of new content in 2017. In regards to Continuing Education, Arrowhead LS Continued three collaborations. First ALS continued its collaboration with the South Central Library System (SCLS). Second ALS also continued its membership in the SEWI CE consortium. Finally The Arrowhead LS remained a cosponsor for the Wild Wisconsin Winter Conference and Trustee Training Week. These collaborations makes available to ALS member library directors and staff a wealth of CE opportunities. These opportunities include face to face programs, webinars and in the case with SCLS, customized crisis prevention programming. As part of its early literacy/1000 Books before Kindergarten projects, Arrowhead continued two collaborations. The first co collaboration, with the Bridges Library System, developed out of the LSTA project "Accessible Early Literacy" in 2016. ALS was looking for a 1000 Books before Kindergarten App the same time as Bridges was working to develop their 1000 Books App Version 2, which would incorporate many of the features ALS was looking for. The collaboration was natural and the ALS project funded the incorporation of Spanish into the App. When Arrowhead began its 1000 Books before Kindergarten project in 2014, it found many potential community partners in western Walworth County. This has led to discussions with the Lakeshores Library System. Lakeshores has helped ALS automate its MailChimp based notification system which works with the 1000 Books patron database that ALS had developed. Unfortunately one planned collaboration with the Southwest Wisconsin Library System (SWLS) did not happen. ALS and SWLS were to partner in a LSTA Outcome Measurement Support Grant which would have provided door counters for the Eager Free and Orfordville Public Libraries, however, the grant was not awarded.

XII. SYSTEM MEMBERSHIP

Attach a listing of all current public library and county members of the system.

Indicate whether your public library system members have indicated compliance with the following membership requirements. If any of these conditions have not been met, attach a written explanation of the circumstances resulting in noncompliance and a description of actions to be taken to achieve compliance (include timelines). A check indicates that all members have indicated compliance with the requirement.

- The public library members are established under the provisions of Chapter 43 of the Wisconsin Statutes. [s. 43.15(4)(c)1]
- The public library members are authorized by the municipal governing board to participate in the public library system. [s. 43.15(4)(c)3]
- The public library members have entered into a written agreement with the public library system board to participate in the system and its activities, to participate in interlibrary loan of materials with other system libraries and to provide, to any resident of the system area, the same library services, on the same terms, that are provided to the residents of the municipality or county that established the member library. This shall not prohibit a municipal, county, or joint public library from giving preference to its residents in library group programs held for children or adults if the library limits the number of persons who may participate in the group program or from providing remote access to a library's online resources only to residents. [s. 43.15(4)(c)4]
- The member public library's head librarian holds the appropriate grade level of public librarian certification from the Department of Public Instruction and is present in the library for at least 10 hours of each week that the library is open, less leave time. [s. 43.15(4)(c)6 and Administrative Code Rules PI 6.03]
- All counties participating in the system have entered into written agreements with the system as required under [s. 43.15(4)(b)3]
- All counties participating in the system have adopted and maintained the plan of library service submitted and approved under s. 43.11(3) and s. 43.13(1). [s. 43.15(4)(b)1]. On the membership listing to be attached to this report, indicate the year of the last plan revision.
- Each public library member, beginning in 2008, annually is open to the public an average of at least 20 hours each week except that for a library in existence on June 3, 2006, annually is open to the public an average of at least 20 hours or the number of hours each week that the library was open to the public in 2005, whichever is fewer. [s. 43.15(4)(c)7]
- Each public library member, beginning in 2008, annually spends at least \$2,500 on library materials. [s. 43.15(4)(c)8]

XIII. CERTIFICATION OF STATUTORY COMPLIANCE

- (m) Planning with the division and with participating public libraries and other types of libraries in the area in regard to the library technology and the sharing of resources. By January 1, 2000, and every 5th January thereafter, the public library system shall submit to the division a written plan for library technology and the sharing of resources.

Services to Users with Special Needs

Summary of significant specific services or initiatives in special needs

The system receives \$2000 from the Rock County Sheriff's department to purchase paperback books for the Rock County Jail. ALS maintains a collection of large type and special interest books for nursing, assisted living and senior centers through out Rock County. These, and similar materials from Hedberg Public Library, are delivered through the ALS delivery system. All seven of the ALS member libraries have service desk hearing loops installed at their circulation desks. Hedberg, Beloit and Edgerton Public Libraries also have meeting/program room hearling loop systems. Both hearling loop projects were funded by LSTA grants in 2014 and 2015.
