Comment

One of my biggest problems is that I learn by doing. I have a hard time absorbing information if it's mostly all reading text. Therefore, I struggled some with this class.

This was a great review of information for me.

Steve Alcorn was a wonderful instructor and the class a welcome wealth of knowledge in helping plan my story ideas so I have more tools at my disposal before trying to write the long form of my work.

I liked this class, but did feel that some updates would be helpful (ie info from newer writers, discussion of more diversity in childrens books)
