Student Comments

|-----------------------------------|---|
| Computer Skills for the Workplace | Thank you. This was very useful in helping me remember how to use excel again and learn more about other programs in Microsoft office. |
| Introduction to Windows 10 | I could not find the Cortana Notebook (Lesson 6) on my Windows 10 desktop (purchased March 2021). My response to quiz question 18 was purely a guess. Would have liked some info about updating drivers and more on virus and malware protection. |
| Advanced PC Security | course needs to be updated. |
