STUDENT COMMENTS

Nov 17 2021	Introduction to Guitar	I was very surprised at how much I was able to learn through this online music course. As a piano teacher I have a strong view that music should be taught one-on-one with a live teacher, but in this case it worked out very well for me. I do believe that it was the videos and the recordings that made it all worthwhile. Thank you
Nov 17 2021	Real Estate Law	I enjoyed the course and how it was organized. The discussion topic were interesting and I enjoyed reading the responses. I didn't have the opportunity yet, but I plan to do some research on the history of my home, which was built in the late 1920s. I would be interested in taking another real estate law class or business law class.
Nov 17 2021	The Analysis and Valuation of Stocks	I would highly recommend this course to anyone who makes investment decisions with their own money.
